attribute 1978

The theme of this 1977-78 ATtribute, "On The Threshold Of A Dream", can be very significant to all of us both as a whole and as individuals. As expected, the cover of a yearbook is chosen to represent that books contents and theme. This year's book, however, holds a very special meaning. Therefore, we would like to offer our interpretation.

In a broad sense the stars throughout the design represent the stars in the sky with the circle being the earth. The slash in the right corner symbolizes despair and disappointment, an unfortunate touch with reality. Finally, the star within the square represents the individual and the hope for obtainment of his dream. We all kindle certain dreams throughout our lives some seem to magically come true and others fade away with time. The belief in dreams, however, is significant, because man will never cease to step upon new thresholds because of them. Our dreams are our own.

Each Day Has

On June 9, 1977, the Class of '77 said farewell to Addison Trail. More than 540 seniors received their diplomas in a two-hour ceremony of pomp and tradition. An air of pride and accomplishment could be seen upon the faces of the many parents that attended the ceremony, which was held in the main gym. Student speakers honored for their achievements were Toni Camp, Oksana Diduyk, Annette Su, Frank Weingartner, Don Kabey, and Patty Harms.

It's The Only Way To Begin!

Bringing the summer activities to an end, registration reunited students and, once again, set the atmosphere for a new school year. This year's registration, August 22 through the 25th, brought back the trampling of 5260 feet as students raced from station to station waiting impatiently to receive their books and schedules. Students were again computer scheduled, because of its past success in saving time and money. Also, the system of purchasing books was reinstated at Addison Trail this year, after last year's attempt at a rental system of books, which proved to be quite unpopular among students and their parents. To help insure a successful and pleasant beginning to the 1977-78 school year, counselors were on hand, answering any and all questions. In correlation with this year's registration, all Freshmen were required to attend the annual Orientation Day. Here, all new students are introduced to Addison Trail's educational facilities and its wide variety of extracurricular activities.

Soon the stacks of books will diminish to a single one as the individuals carry them away. School is being made ready. As you walk down the hall one may notice the locks building up to a uniform pattern, which boasts of their occupancy. This is the point in which students are most eager and enthusiastic to return to the signing of tardy slips, receiving dean's referrals, getting thrown out of the library for disturbing the peace and parking in the faculty zone. Yes, even the freshmen seem to catch on to this idea.

Clockwise beginning right: The stacks diminish as students purchase books.; Sales skyrocket as students storm registration station to purchase their 1977-78 yearbook.; Everyone loves a mugshot!; It's just not what he saw in the mirror this morning.

BLOOMINGDALE
PARK DISTRICT

Saturday In The Park

The halls of Addison Trail took on an air of "Chicago" during homecoming week, October 3-8. "Fancy Colors" was the theme of a hall decorating contest between participating clubs and classes. Each group was given a hall or door to brighten using the name of a Chicago song. Next on the list of activities was the 7 p.m. Friday, October 7 pep rally, which featured a visit to Lake Michigan, State Street and Lincoln Park. Each of these sites held a clue as to who was named into the homecoming court. Teams, coaches, and cheerleaders were also announced. On Saturday morning, October 8, the "Scrapbook" parade marched its way to A.T. through the streets of Addison. Blazettes, drum majorettes, floats, cheerleaders and the concert band, among others, highlighted this event. Following the parade, the guest alumni gathered in the auditorium foyer to reacquaint themselves with fellow classmates and teachers. The student council treated the returning graduates to coffee, rolls, and other goodies. This episode was appropriately titled "Old Days." The excitement continued on the football field where A.T. conquered nonconference Hinsdale Central on all three levels: freshmen, junior varsity, and varsity. Halftime entertainment included performances by the Blazettes and the Marching Band. The entrance of the homecoming king and queen, Kelly Crumley and Amy Zarnowski, topped off the intermission.

Clockwise beginning right: Addison Trail Concert Band brightens the homecoming parade with music. The freshman class takes pride in displaying their rainbow colored float. In spite of Hinsdale's strong defense the Blazers plunge to victory. Happy people and smiling faces are a common sight throughout homecoming week. Chicago- a familiar theme everyone can enjoy.

'Tis the season to be jolly...

'Tis the season to be jolly, with lots of bells jingling, people smiling, and happy feelings everywhere. These are the familiar images of Christmas at Addison Trail.

The holidays were filled with the opportunity for good times with friends, gift-giving, children singing in the halls, and door decorations. All of the students were in spirit, and even the teachers set aside their "humbug" ways!

Addison Trail celebrated International Week during the Christmas season, featuring various cultures' customs and traditions. There was also a tree decoration contest between Mods, and a trip was planned to the "Christmas Around the World" exhibit at the Museum of Science and Industry. Foreign students from area high schools visited Addison Trail and shared their traditions.

GODSPELL

The first drama production of the year, "Godspell," was presented Friday and Saturday, November 18 and 19. The play is a musical based on the gospel stories of St. Matthew. Conceived by John-Michael Tabelak, the play was first performed in 1971. Billed as a celebration of the gospel, the play called upon many theatrical devises including pantomine, children's games, charades, puppetry, vaudeville antics, song, music and dance. The characters of the play were cast primarily as clowns in improvised costumes to enact the simple stories, sayings, and parables of the Gospel. Assisting director Mr. Robert Cetera in the production of the play was Mr. John Yakel in charge of scenery and props. Mrs. Nora Veyette worked with choreography and Mr. Dale Bower directed sound and special effects.

Barefoot In The Park

"Barefoot in the Park," a comedy by Neil Simon, was presented in February as Addison Trail's winter drama production. With only six members in the cast, the play could be staged in the intimacy of the Little Theatre. Robert Cetera directed the production and John Yakel supervised scenery, props, and publicity.

George Lynch was cast as Paul Bratler and Linda Scarlett played his wife Corie. Carrie Coffman, Chris Able, Becky Faut, and Tom Repa completed the cast.

The play is a typical Simon farce, set in New York City with its multitudinous problems. Newlyweds moving into a top-floor apartment encounter many of these trying situations, including a Hungarian gourmet and a neurotic mother. AT audiences enjoyed the fast-paced Simon dialogue and rapier wit.

Disco mania hit Addison Trail this year full force. The national dance craze was spawned by John Travolta's footwork in the film *Saturday Night Fever.* Variations of disco dances were the Rhumba, Tango, the Swing, the Latin Hustle, and the New York Hustle.

AT students flocked to the Galaxy, a local disco, for their weekly dance "fix." The Sunday evening "teen nights" were wall-to-wall Addison Trail discoers. For years Addison teens had complained about the lack of a decent social spot; the Galaxy filled that void in '77-'78.

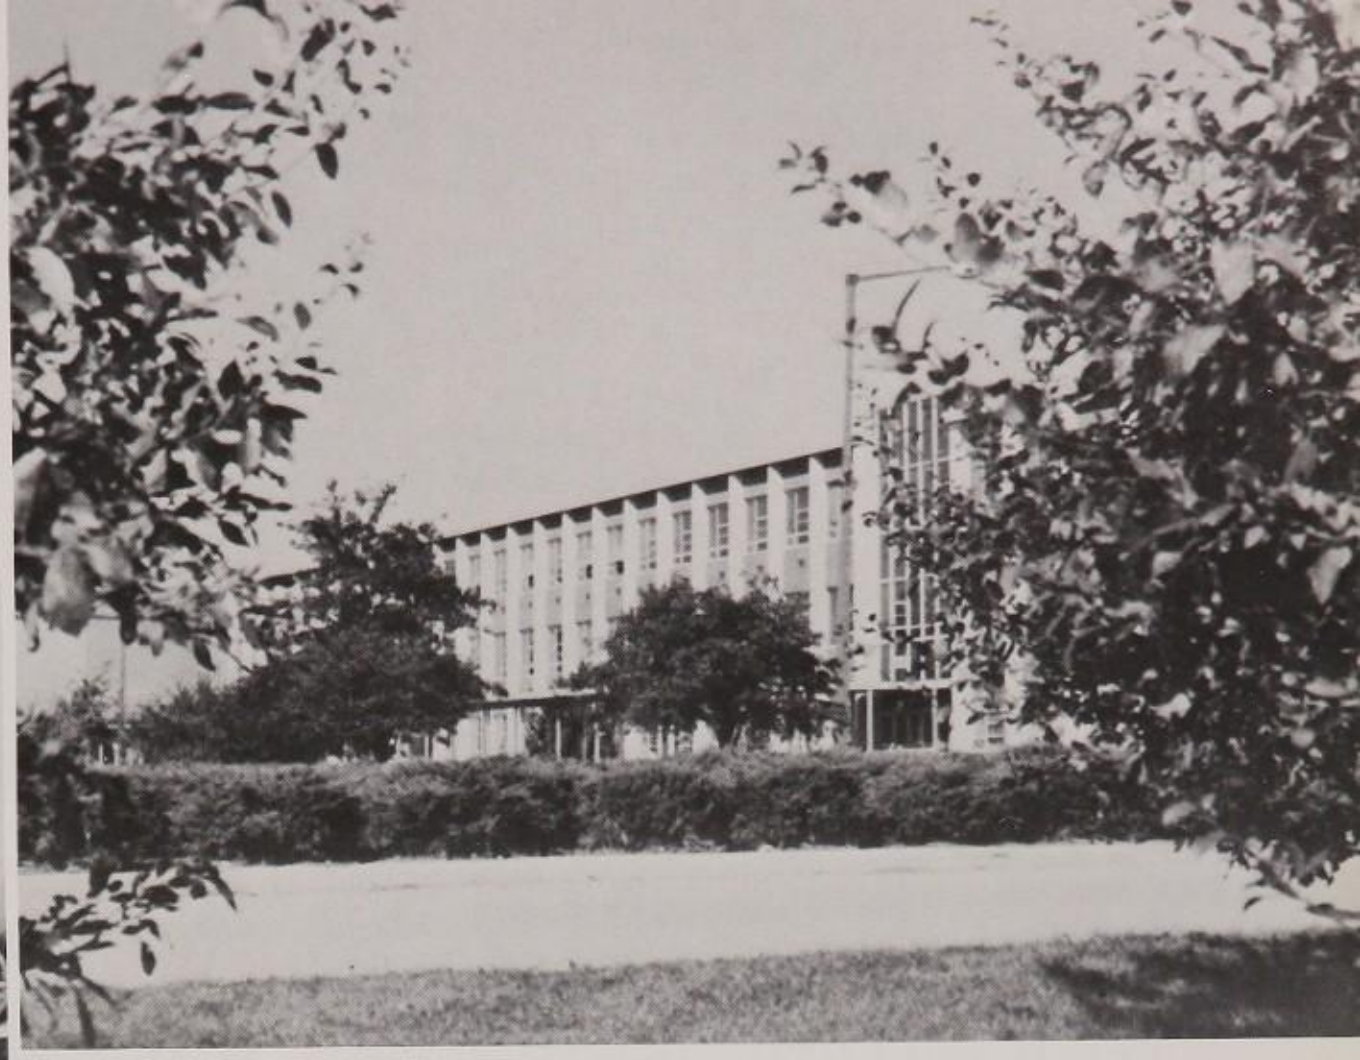
AUTUMN



"My Sorrow, when she's here with me,
Thinks these dark days of autumn rain
Are beautiful as days can be;
She loves the bare, the withered tree;
She walks the sodden pasture lane.

Her pleasure will not let me stay.
She talks an I am fain to list:
She's glad the birds are gone away,
She's glad her simple worsted gray
Is silver now with clinging mist."

WINTER

Hence, rude Winter! crabbed old fellow,
Never merry, never mellow!
Well-a-day! In rain and snow
What will keep one's heart aglow?
Groups of kinsmen, old and young,
Oldest they old friends among;
Groups of friends, so old and true
That they seem our kinsmen too;
These all merry all together
Charm away chill Winter weather.

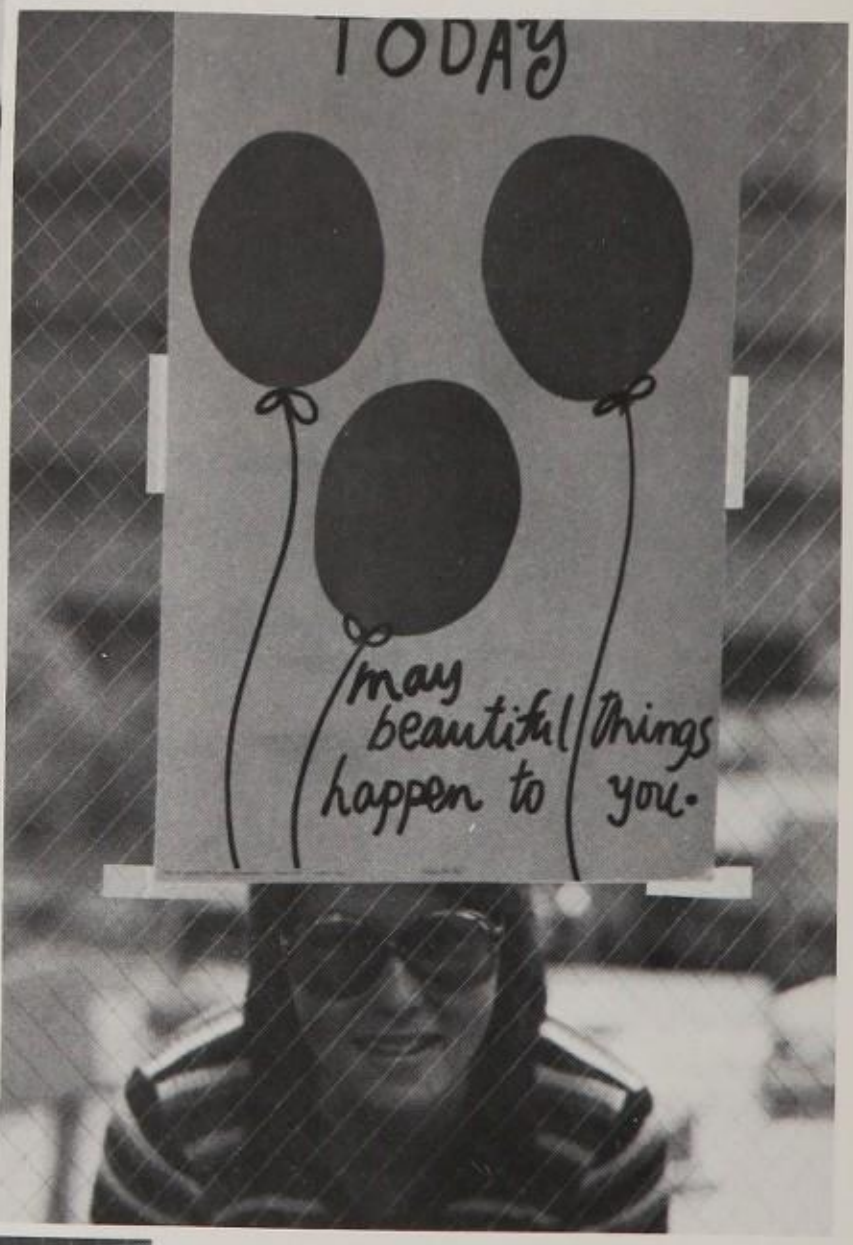
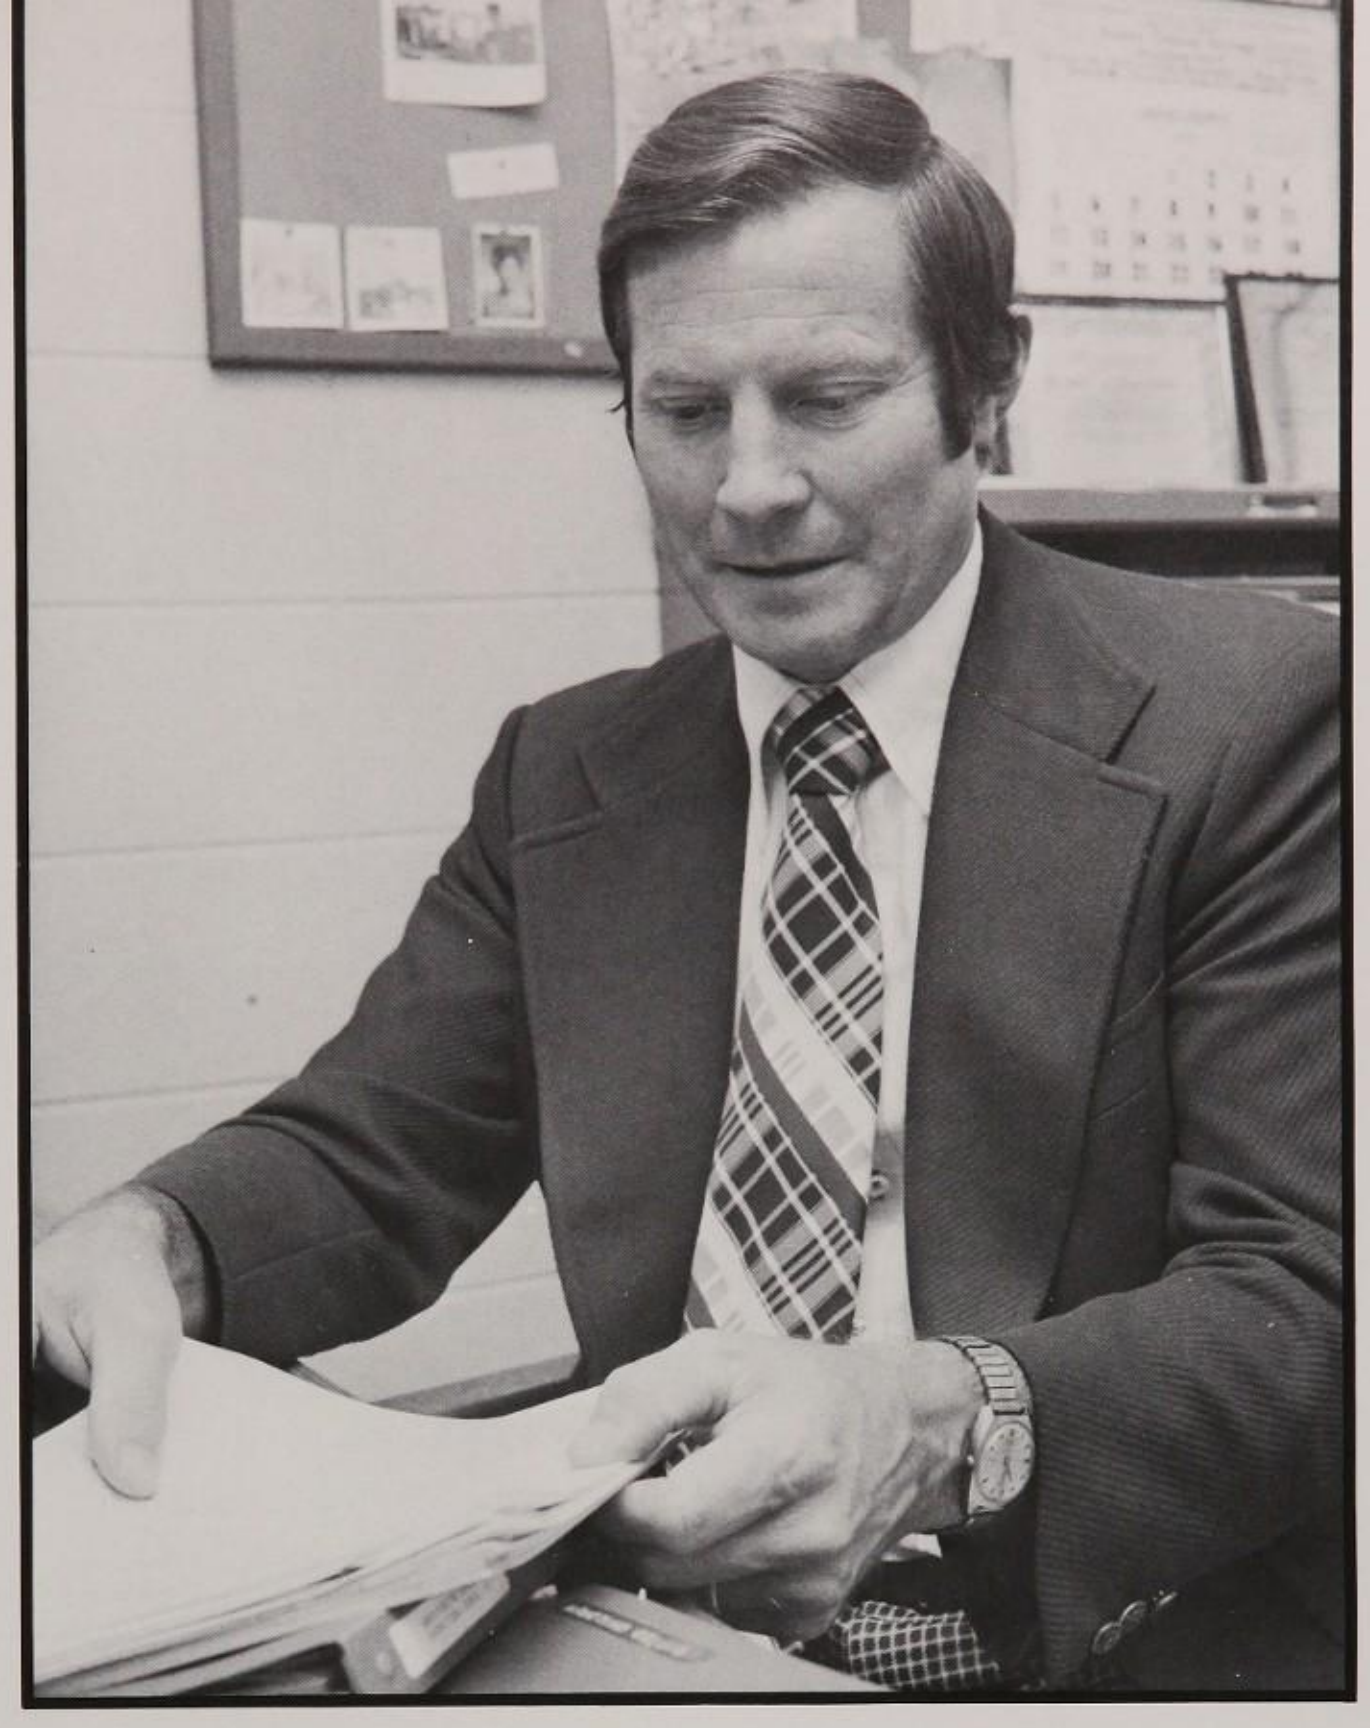
Another Year Passes Into Memory . . .

Muffled voices echo in the classrooms. The clock stares into the the eyes of every impatient student. Each tick marches successively into the past. A pencil drops . . . a bored student's yawn broadens. Soon, the long halls will be free from the trampling of five thousand feet. The old year will come to an end, but it will never die. We will always cherish these memories in our hearts, recalling Tennyson's words:

Old year, you must not die;
You came to us so readily,
You lived with us so steadily,
Old year, you shall not die.





William Rook
1922-1978

A familiar face at Addison Trail is gone. William Rook, Director of Activities and Student Council sponsor, died in February.

Mr. Rook had served in the Addison Trail administration since the school's inception II years ago. He was the founding sponsor of the Kiwanis Blue Key Club here. As a member of the Addison Kiwanis Club, Mr. Rook was a link between school and the community, untiringly promoting AT'S students and activities. For years he had supervised the annual Peanut Day for charity.

Bill Rook's zest for life, his infectious laughter, and love of people will always be remembered by students and staff. Addison Trail is a richer school because of his contributions. We will miss him.

AT's Spirit Leaders

Blazer Varsity Improves To 6-3

Addison Trail's Varsity just missed having a sensational season with narrow losses to champion East Leydon and perennial power Willowbrook. The three losses were each by one touchdown.

Led by a squad of 23 seniors and 17 juniors, the Blazers defeated Glenbard East, Downers South, West Leydon, Morton West, Morton East, Hinsdale South, and tough Hinsdale Central.

Six AT players were named to DPVL all-conference honors: Quarterback Bret Clark, Linebackers Dan Fornore and Mark Goress, Fullback John Kentgen, Halfback Dan Gravdahl, and Safety Jim Gallina.

The East Leyden and Willowbrook games were outstanding battles. State power East Leyden had been unscored upon before meeting Addison, but the Blazers took an 8-0 lead. The final 16-8 loss gained Coach Mortier's team much respect. The Willowbrook game was a classic struggle between archrivals. The Warriors took two overtimes to defeat Addison Trail 27-21.

1977 was an excellent year for other football levels at AT. All three squads captured conference championships: The sophomores finished at 8-0-1; Freshmen "A" at 7-1-1; and Freshmen "B" at 8-1.

Coach Mortier, in his second season at the helm, was very pleased with the football program. "We were just inches away from a super season. With 17 lettermen returning next year and the consistent lower-level success, AT should be a real threat in the area for several years. I am pleased with our timetable."

Girls' Varsity Tennis Sweeps Conference, Distric

The Blazer Girls' Tennis squad captured DPVL and District honors with a sparkling season. The Varsity finished with an 8-0 conference mark and 13-2 overall, the finest record in AT's history.

Four girls qualified for the State Tournament and were also undefeated in conference competition: 1st Singles Barb Girard, 2nd Singles Hope Semper, and 1st Doubles Mary Maloney and Nancy Macenas.

The Varsity compiled a remarkable 61-16 overall match record. Semper competed in three rounds in State and brought home AT's single point.

Blazer Cross Country Runs To .500 Mark

Although the Blazer Cross Country squad managed a .500 season, Coach Ken Hammond considered 1977 a building year for the program. In spite of setbacks, the team maintained "an excellent mental outlook throughout the season," according to Hammond.

Senior leadership, so vital to every organization, was provided by Captain Glen Diekow, Jay Grinnell, Joel Zelaske, and Tim Augustyn.

Junior Rick Vokoun was the team's most valuable runner, while Sophomore George Brauneis was voted the most improved.

Coach Hammond concluded, "A good summer of hard running should pay dividends next year."

Blazers Cop Title; Holmes Downstate

AT's strong golfing tradition continued in 1977 as the Varsity captured its sixth DPVL championship. The Blazers, under new head coach Gary Gould, were led by Perry Holmes, who placed second in the conference tournament, fourth in Districts, and qualified for State competition. Other standout performances included Kevin Mitchell's fourth-place finish in the DPVL meet and Steve Todd's eighth in the Sectional.

The team finished with an overall 9-3-1 mark and was 6-1-1 in conference. AT placed second in the 16-team Lake Park Invitational.

Senior team members included Holmes, Mitchell, Todd, Steve Hammerstrom, Jeff Albin, Ken Maisel, and Rob Eschenbrenner.

Soccer Outscores Opponents 38-19, Still Finish 8-6-1

Addison Trail's Soccer team finished with an overall 8-6-1 record and was 4-3 in the conference. The Blazers outscored their opponents 38-19, as every loss was by a single goal.

Although the team did not qualify for IHSA competition, the quality of soccer played by the 1977 Blazers was worthy of a playoff spot. All six victorious opponents did earn post-season berths; two advanced to the State finals.

Gary Dini closed out his Varsity career with 13 goals and all-sectional and all-league honors. Sophomore Iggy Catanese joined Dini on both squads. Seniors Dan Natick, Duane Martin, and Mike Mansbridge anchored the defense, while Dino Parducci, Mike Hodges, and Glenn Carlson sparked the offense.

Volleyballers Win Districts; Lose Sectionals in Heartbreaker

AT's Volleyballers had their finest season in 1977 with a District title. After finishing 5-3 and 4th in the DPVL, the Blazers jelled in Districts and lost a heartbreaker in Sectionals. They were 16-7 overall.

Karen Miller, the team's only senior, had an outstanding season. Karen was voted Most Valuable by her teammates and made All-Conference. Anna Lee was selected as Most Improved.

Varsity performers who played in the 80% average over the season included Diane Bell, Jan Chrysokos, Pam Elardo, Jami Lifka, Patty Ziaja, and Miller.

The Junior Varsity squad was 4-4 in the DPVL and 6-6 overall. JoAnn Griffone was selected as Most Valuable and Gail Clark Most Improved.

The Varsity won the honor of being placed on the prestigious Wall of Fame in the Gym Foyer.

Wrestlers Win 6th Straight District, 16-1 In Duals

Coach Tony Parks' Blazer wrestlers continued their winning tradition in 1977 by taking 16 of the opening 17 dual meets, good for second place in the DPVL. This year's squad captured the I.H.S.A. District championship for the sixth consecutive season, an astounding record of consistency. In dual meets the Blazers averaged 41 points against 6 for their opponents. The varsity won first place trophies in four meets: the Addison Trail Invitational, Wheaton Turkey Invitational, the Palatine Tourney, and the Homewood-Flossmoor Invitational.

Such domination of other schools requires talent, dedication, and superior coaching on every level. Head coach Parks was assisted by Jim Llorens and Joe Chapetta. Eight seniors concluded mat careers: Jim O'Shea, Bob DeCosta, Jeff Stellman, Alex Polak, Rick Powers, Gary Varga, Gary Dini, and Tom Pawelko.

Excellence has been the word to describe the lower level Addison Trail wrestling programs. The past five years has seen an amazingly consistent string of victories and championships from Freshman and Junior Varsity performers. 1977-78 showed the following slates for the squads: Junior Varsity 10-1; Sophomore 9-4; and Freshman 13-0.

Senior Bob DeCosta, Juniors John Flynn, Mike Werner, John Schiavone, and Sophomores Brian Gagne and Jim Gagliano paced the J-V team. The battling Sophomore contingent was led by Mark Schwartz, Jeff Jourdan, Craig Evans, and Sal Schiavone. Coach Jim Llorens provided leadership for the squad. Coach Joe Chapetta directed the Freshmen to their third straight undefeated season and fourth consecutive DPVL crown. The young Blazers won titles in the Hersey Quadrangular and Wheeling Invitational. In dual meet competition, this team was undefeated at the following weight classes: 98, 105, 132, 138, 145, and heavyweight. Many good years of Varsity wrestling are in the offing.

AT Wins 2nd Straight State Boys' Gymnastics Title

Addison Trail's consistently superior boys' gymnastics team swept to its second straight I.H.S.A. title this year. Coach Fred Dennis' Blazers edged challenger Wheeling in an exciting climax to a season in which Addison led the state rankings throughout. AT practically clinched the title on Friday evening, and the Blazers held on Saturday to win the huge trophy again.

Senior all-around man Kelly Crumley paced Addison Trail in post-season competition with poised, pressure-packed routines. His performance in the state finals received a record 8.68 average. Kelly had a 8.80 in free exercise, 8.25 in side horse, 8.90 in high bar, and 8.40 on parallel bars.

Other state leaders included Ray Gnat with 8.60 in free exercise, a spectacular 9.15 in vaulting, 7.95 in parallel bars, and 8.40 on rings. Bob Leverence, Scott Cazel, Steve Mills, Mark Busse, and Mike Riban performed admirably.

AT finished with a team total of 158.93, while Wheeling could only get 154.65. Oak Park finished third in state competition.

The Blazer male gymnasts now have the school's only two state titles, an enviable record for other teams to aim for in the future. Addison Trail is now on the map athletically!

Girl Gymnasts Seek Repeat At State

The 1978 Girls' Gymnastics team entered their season with high hopes of improving last year's excellent record. With the experience of having competed in the '77 state finals, the squad should be a poised and consistent team under pressure.

Coach Darlene Galgan expects repeat victories in the DPVL and District competition. The Blazer gymnasts carry an unbeaten skein into conference.

Krueger Leads Blazers In Long "Road" Season

Addison Trail's Varsity basketball team suffered through a difficult season, winning only three of its first 20 games. Playing their schedule entirely on opponents' courts did not help a team of limited height and experience. Since the main gym was not completed in time for the season, the Blazers had to face visiting teams in their arenas.

One of the few bright spots for the squad was the consistent scoring and rebounding of Mike Krueger. He was often among the leading scorer in the DPVL, averaging 19.9 points per game. Krueger appears a shoo-in for all-conference honors. Mike also led the team in rebounds with 155 through 20 games.

Junior Steve Yurks was the next threat in the Blazer lineup. He averaged 12.9 points and was a steady defensive player. Senior guard Bret Clark was the assist leader with 70.

Coach Frank Yaccino tried to view the season philosophically, looking to next year and a very promising crop of big men.

Sophomores Finish 2nd with 8 Straight Wins

Coach Rick Howat's Sophomore Blazers finished with eight straight wins to bring their mark to 11-7. Starting slowly, the team stood at 3-7 at the Christmas break, having lost no game by more than 6 points. In the D.P.V.L. Addison Trail finished second behind East Leyden.

Forward Rob Wangsness was the team leader in points with 16 per game and rebounds with 10 per game. Guard Jeff Stange provided "tremendous defense and fine playmaking," according to Coach Howat. Other starters this year included Darren Frasca at forward, center Kevin Coyle, and guard Rick Spera.

Girls Strong In '78, Capture Regional

The Girls' Varsity Basketball team swept their opening 9 games and appeared destined for state honors. Loaded with experience and good depth, Coach Panagiotaros' Blazers were "optimistically looking for an undefeated season and exposure to state competition."

Boasting Seniors Karen Miller and Kathy Guglielmi, AT used the precision and confidence gained from a full season playing as a unit. Eight juniors also provided valuable experience.

A strong starting five of Miller, Hope Semper, Pam Elardo, Holly Hanlon, and Diane Bell was complemented by subs Jan Chrysokos, Guglielmi, Jamie Lifka, Nancy Frejlach, Mary Maloney, and Sophomore Denise Sladek.

Miller and Elardo provided consistent double-figure scoring. Miller was a sure bet to place on the all-conference team for the fourth consecutive year.

Badminton, Inexperienced But

The girls' badminton team began their season with little experience but enthusiasm remained high for a good season. Returning letterwomen are juniors Patti Bystrom, Nancy Macenas, Nanette ReRiere, Linda Hase, Kris Ringstad, and sophomores Penny Miller, Pam Warczynski. For the first time badminton has a state tournament to aim for.

A.T. Organizes First Girls' Swim Club

Addison Trail organized its first girls' swim club in 1978, under the direction of Coach Fred Pigott. Five girls made up the team, all working on their own time, since AT has no facilities for swimming. The squad competed in seven events: 200 yd. medley relay, 200 yd. individual medley, 50 yd. freestyle, 100 yd. freestyle, 100 yd. butterfly, 100 yd. backstroke, and 100 yd. breaststroke. The season goal was to prepare for District competition. Coach Pigott sees a bright future for the Blazer swimmers. A boys' swim club will begin in the spring.

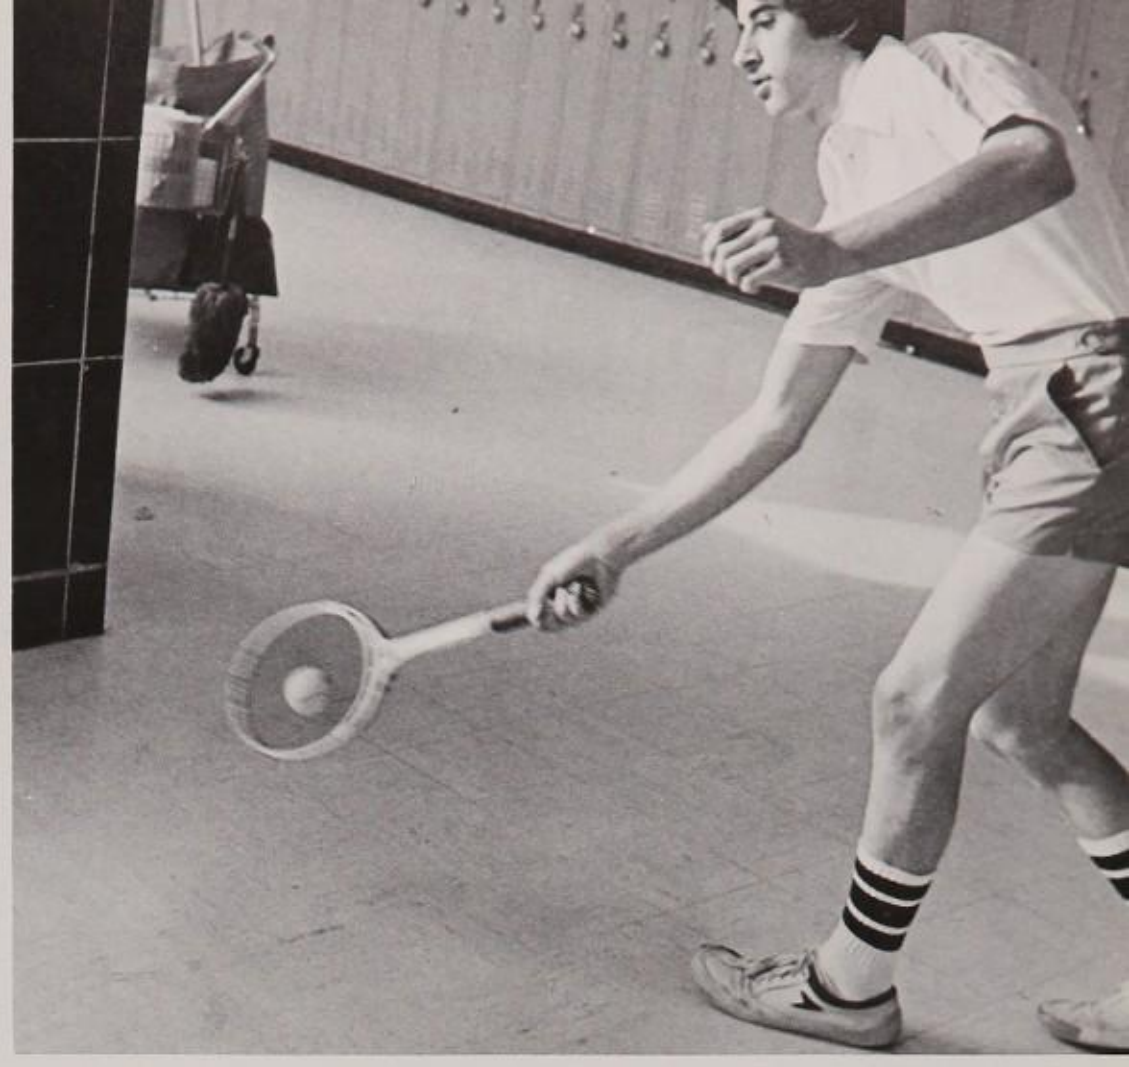
Outtakes . . . Shots We Didn't Use The First Time

"Rain? Rain! It's not going to rain . . ."

"Well, Ollie, another fine mess you got us into this time!"

"Three more games and I can eat gyros again."

"Yeah, Vito, he says Pele does it before each game."



"Let's see ... a lob to the cafeteria door and then off to English."

"It says my fortunes will take a great tumble very soon."

"Boy, this is really the end of the match!"

Quill and Scroll is a national honorary journalism fraternity. The AT chapter elects members each year from the *ATtribute* and *Torch* staffs. The election requires at least one year of outstanding journalistic experience.

ATtribute Staff

The 1977-78 "ATtribute" Staff has worked diligently this year to capture the school's events. Through the many pictures, designs, color and special words that in combination form this yearbook, pleasant memories for each and every student have been preserved to be relived and cherished over and over.

Careers In Teaching Club

The Cadet Teaching Program fulfills two needs. First, it gives high school students an inside look at the teaching profession; second, it provides assistance for elementary school teachers. Students in this program enjoy working with small children in activities such as drilling, tutoring, grading, or just companionship. One club activity this year was the selling of flowers with telegrams attached to be delivered on St. Valentine's Day to students and teachers.

Distributive Education provides students with both in-school and on-the-job training in the fields of marketing and distribution. In school students study marketing, merchandising, business math, salesmanship and stock control. They then put their knowledge to use by working part-time in occupations such as cashiers, service clerks, salesmen or stock boys.

HERO

Students enrolled in HERO receive both on-the-job experience and related school work focused on the career area of their choice. HERO is designed to serve students whose interests are directed toward food and nutrition, or adult and child care.

Orchesis

Orchesis consists of girls interested in studying and performing precision dance. The girls practice three months for an annual show which is always performed in the Auditorium. This year's show was staged on Jan. 13-14. The show entitled "Illusions" featured various forms of dance including jazz, modern, ballet and tap. The show's theme reflected illusions, dreams and fantasies of the real world. The program included dances performed by individuals, small groups and the entire Orchesis. To work in the group requires discipline of mind and body; a premium is placed on teamwork and cooperation. Mrs. Debbie Jarecki is the sponsor of Orchesis.

UNDERCLASSMEN

Blazettes

The Blazettes support Addison Trail in all sports activities and promote school spirit. With precision pompon routines, the girls provide entertainment and color at home football games. This year the squad worked under unusual circumstances, since Addison Trail did not have a gym for home boys' basketball games. So the girls had to practice long hours without the gratification of performing in public very often. It was a tribute to Mrs. Mortier, Blazette sponsor, and the girls that interest and dedication remained high, in spite of this hardship.

Addison Trail Orchestra

The Addison Trial Orchestra continues to improve under the baton of Mr. John Duckwall, who is now in his eleventh year as maestro. Building an orchestral tradition is a long process, especially considering AT began in 1966 with practically no experienced members. But constant contact with feeder schools enabled Mr. Duckwall to isolate talented players early and teach correct techniques. In 1977-78 Addision Trail had a solid group of orchestra players of whom all could be proud.

Addison Trail Bands

The Addison Trail Bands provide marching music on several levels for the school. Mr. William Geis directs the Concert Band, the most prestigious group. This group works throughout the school year to polish their musical skills for contests and concerts. The Marching Band draws its numbers largely from this group. The third band is the Blazer Band, consisting of underclassmen not yet prepared for the high standards of Concert Band.

The Concert Choir begins its twelth year with the largest choir in its history. The focus of the choir is a continued search for meaningful performances. Many area churches along with homes for the aged and other schools are included in the choir's schedule. The choir has recorded four albums and appeared over Channel II, WTTW and Channel 9 WGN in numerous special television appearances. It has also participated in state festivals as the sole representative from Illinois. This year the choir had toured the southern states receiving much praise from fellow musicians.

ENGLISH

The English Department is at the center of academic life at Addison Trail. Three years of English are required of every student before a variety of electives may be undertaken. The department attempts to meet each student on his level and develop him to his full potential. With the great emphasis society is placing on reading, the department has worked to design courses strengthening skills, both developmental and remedial.

SCIENCE

The science students at Addison Trail are able to participate in courses ranging from chemistry to physiology and horticulture. The department rejoiced last year with the completion of several construction projects: an expanded physics classroom and a modern, beautiful greenhouse.

All courses in science emphasize laboratory experimentation and carefully researched problem-solving. Distinctive odors culminating in AT's halls signal lab days.

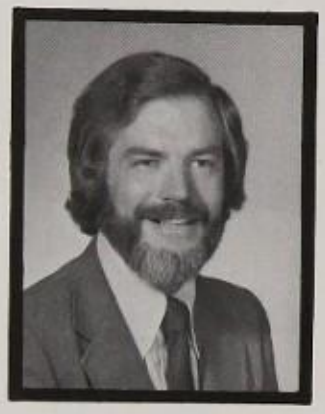
MUSIC

The Music Department consists of three areas: orchestra, band, and choir. Great emphasis is placed upon individual discipline as well as group quality. The bands, under the direction of Mr. William Geis, perform at football games, march in parades, and compete in area contests.

The choirs, directed by Mr. Anderson, published their fourth Christmas album last year and completed the annual tour.

Mr. Duckwall's orchestra gives three concerts a year, and many members play in area youth groups.



1. Mr. Richard Anderson, Chairman; 2. Mr. John Duckwall; 3. Mr. William Geis.

ART

The Art Department, though small in faculty and facilities, makes its presence felt at AT. Students drawing in the halls, colorful murals in classrooms and corridors, paint smells, display case exhibits of paintings and pottery — these all testify to the skill and dedication of the art students.

Addison Trail students have consistently placed high in art shows. Their skills are also displayed on yearbook covers and drama posters and programs.

FOREIGN LANGUAGE

One of the main goals of the Foreign Language Department is to make the students feel at the ease with a language other than their mother tongue. The languages are taught the same way Americans learn English: listening, then repeating phrases or sentences. As a student progresses through the language sequence, he is also taught grammatical structure for more detailed sentence construction and writing.

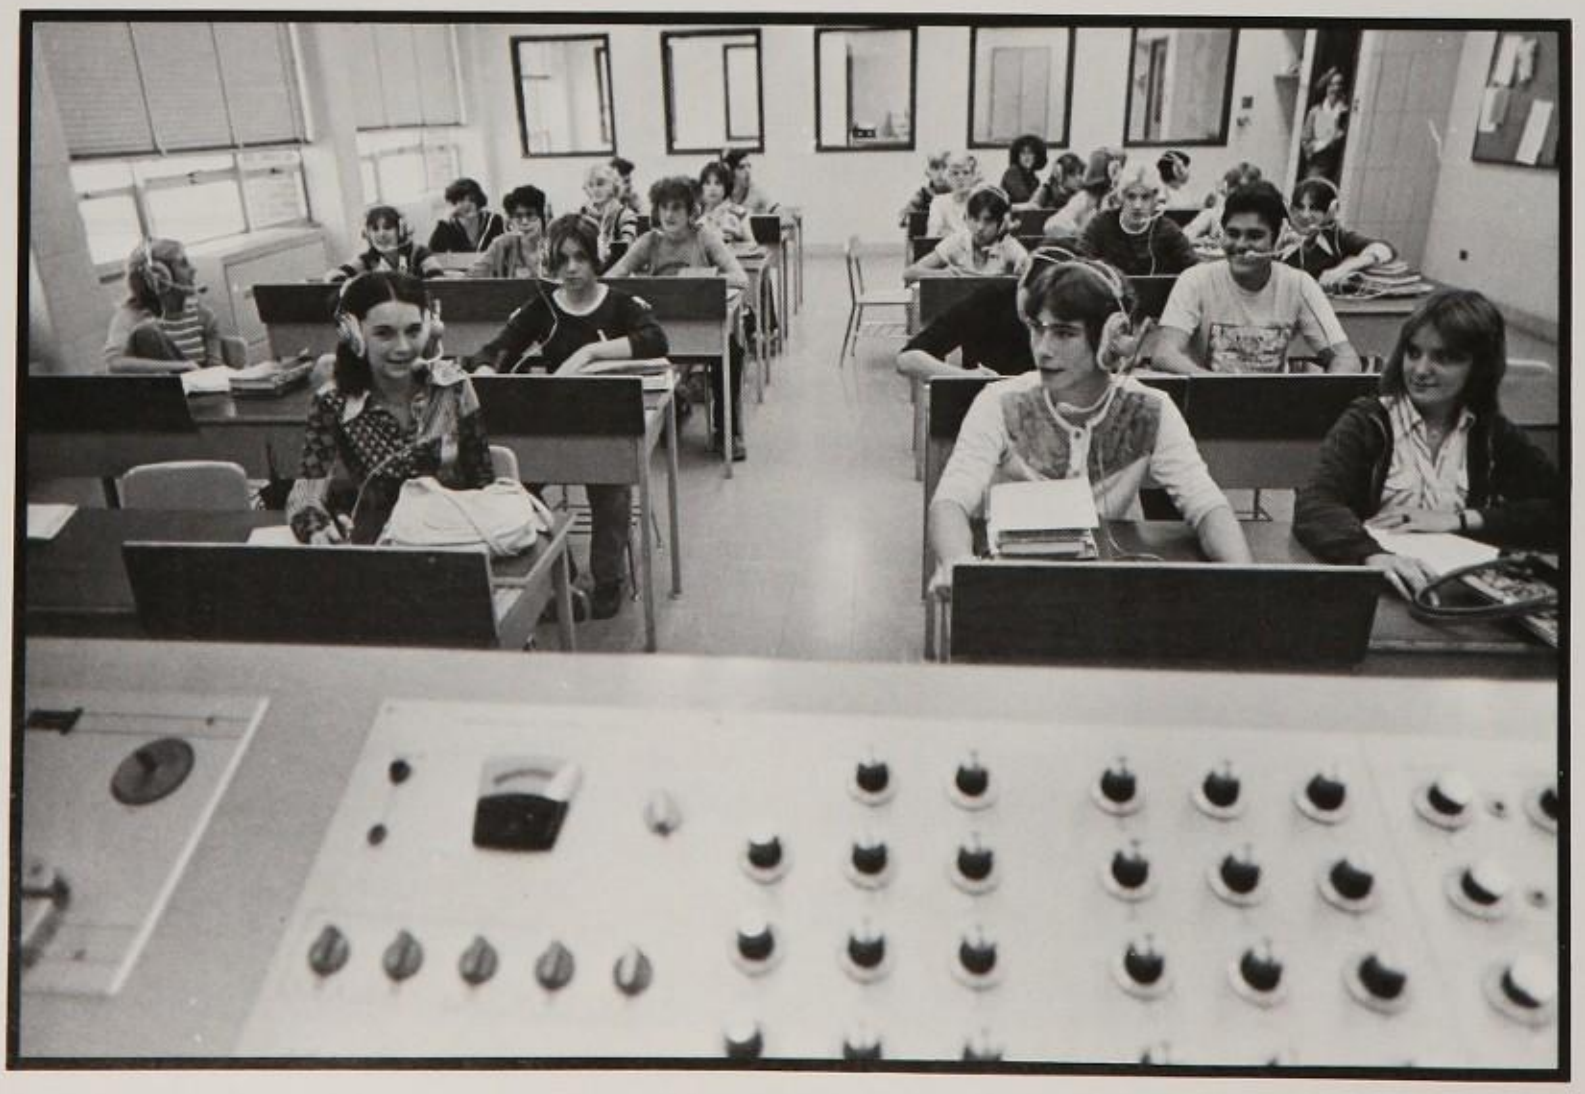
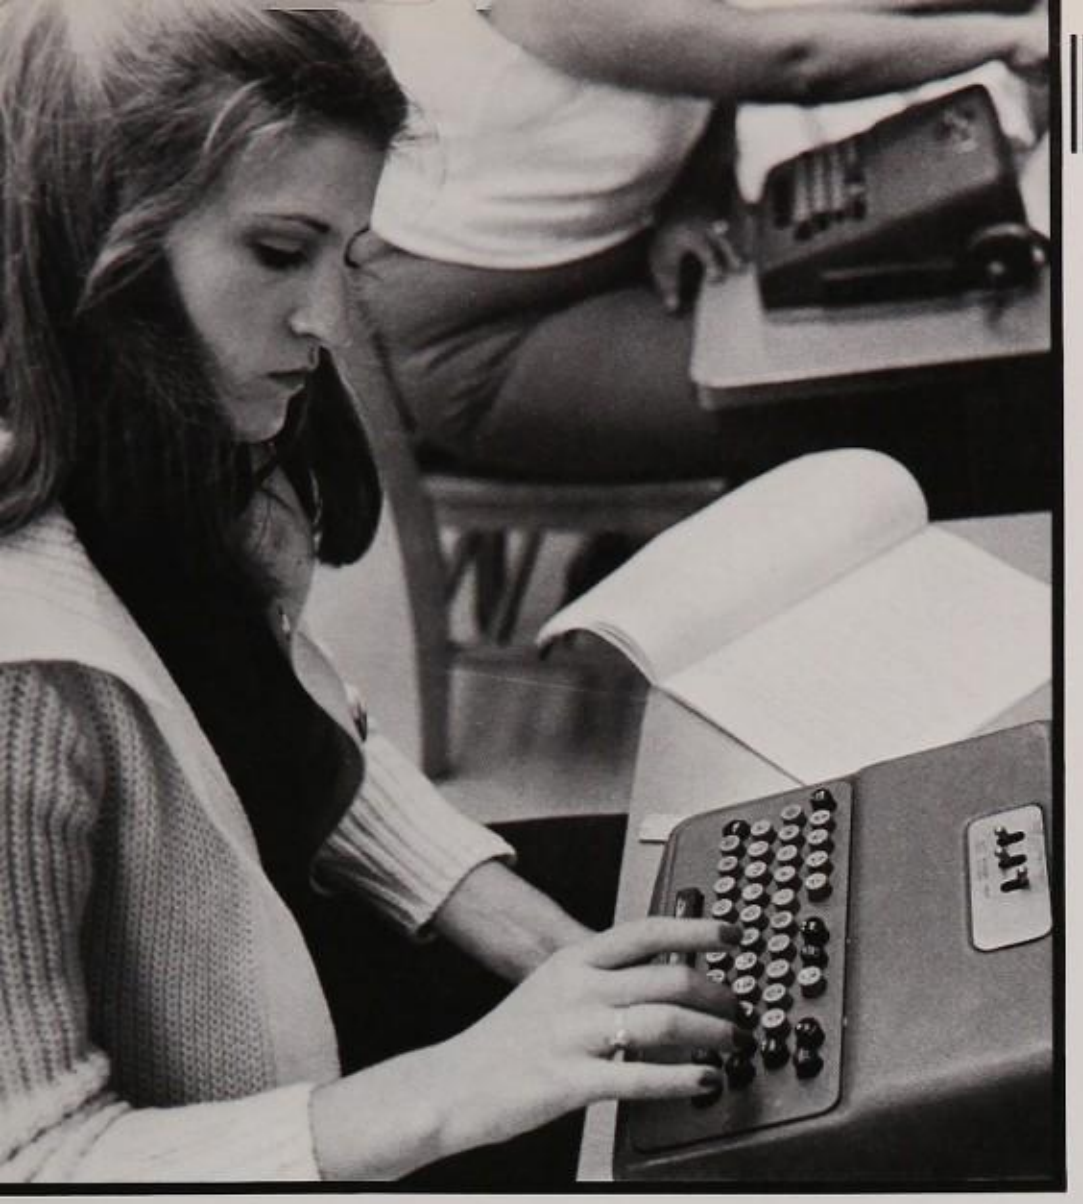
3. Mr. Carlos Garcia; 4. Mr. Dean Wiegel.





BUSINESS EDUCATION

The Business Department provides a wide variety of courses for students planning a career in business and those taking basic courses for clerical and secretarial skills. From Introduction to Business as Freshmen, students move sequentially to highly organized work-study programs as Juniors and Seniors.

These programs, Distributive Education and Office Education, provide a direct link to the business world outside the classroom.

HOME ECONOMICS

The Home Economics Department moved into new quarters, providing expanded facilities for all Home Ec. areas in 1978.

The department has courses in cooking, sewing, childcare, and decorating. The Child Development course has been most helpful and successful, and they hope to expand it in the future.

EDUCATION

SPECIAL

The Special Education Department offers alternative approaches to learning. Students in the various programs are usually in the Special Ed. area for the entire day. The ideal sequence is for these students to gradually be assimilated into the regular school routine as they adjust.

PHYSICAL

The Physical Education Department moved into its long-awaited facilities last year and increased opportunities for AT student to enjoy a well-rounded program of physical fitness. The addition of the new gymnasiums and exercise rooms relieved the overcrowded conditions in P.E. classes which were a detriment to learning. Staff members were able to enlarge their office space and centralize operations.

A Final Word From The Seniors . . .

"If the string is long enough, the kite will fly."
Kenneth E. Brown

"It's been fun, but it was no picnic."
Donna Heaney

"High school has made me stronger; mentally through laborious homework, and physically by lugging books from one end to the other."
Nancy Carlson

"Life has its ups and downs, especially around th school: first floor, third floor, first floor, etc."
Theresa Heinri

"It was uh - uh interesting."
Robert DeCosta

"The best thing that could happen is that the gym be finished before graduation."
Mary Lynn Hughes

"I leave high school not only with a great deal of knowledge, but also with a real meaning of friendship and cooperation."
Ann Marie Gerlach

"I'm going to miss you, A.T., but thanks for the memories."
Deanne Plaziak

"The best 4 years of my life."
Kimberly Goodwin

"A time of growing, sharing and new experiences, but most important were the friends we made along the way."
Frances Teplan

"Looks like we made it."
Dawn Tobin

"In Life there is nothing more unexpected and surprising than the arrivals and departures of pleasure. If we find it in one place today, it is vain to seek it there tomorrow. You cannot lay a trap for it." (Alexander Smith)
Sofia Aholec

"We have reached a time to make our dreams a reality."
Theresa Larsen

"My four years at Addison Trail have enabled me to achieve goals and have helped me to realistically see that my lifetime goals are achievable."
Karen Miller

"My experiences at Addison Trail are both innumerable and invaluable. I cannot be sure my future college days will supercede these high school days, but my cherished high school memories will stay with me forever."
Kathy Guglielmi

A Year Of Excellence

Addison Trail enjoyed its finest year in 1977-78, earning success in many activities. Some of these accomplishments occurred after *ATribute* deadlines, so we applaud them here.

First and foremost, two athletic teams captured State titles — a rare achievement for any high school. Both the girls' and boys' Gymnastics teams swept to championships, giving AT wide-spread recognition. The Golf team won another Conference crown, and the Wrestling squad took District and Sectional honors. The Girls' Basketball varsity won a Regional title, and girls' Tennis captured Conference and District championships. The Volleyball team was District titleholder, and Badminton contributed the Conference singles champion.

In the music area, all three programs brought honors at AT. The Concert Band received a Superior Rating at State, won the Kansas City Sweepstakes, and was an Honors Band at the University of Illinois. The Concert Choir again traveled to several states and received highest praise. The Orchestra placed first in the Solo and Ensemble contest at Elmhurst College.

Other activities of special note this year included the Model United Nations, which was selected as one of the ten best delegations, the Blue Key Club, and the Drama program's three excellent productions.

A good high school is made up of many diverse people and activities. Addison Trail is blessed with effective leadership, unity, and diversity. We can look back with pride on the 1977-78 school year!

Acknowledgements

The yearbook staff can never take full credit for the production of a volume. Many other people and organizations contribute time, resources, and material to this creative, often hectic effort. We can never list all of them, but we note the following with gratitude: the American Yearbook Company has been especially cooperative in a most difficult year; Mike Hackleman and Tuula Mills showed patience and understanding; Fran Teplan contributed her third consecutive *ATtribute* cover; Leander Studios, especially Dave, worked hard to meet our photo schedule; Mr. Colosimo and Mr. Citrano provided emergency pictures, and Scott Cazel's candid work was utilized.
